SPRING 1

Spring Term has began!

We are all so excited to share with you all the wonderful things that we have been doing this term. We have now extended our mixed Years 1 and 2 class to separate classes- Willow Year 1 and Chestnut Year 2. The children are settling nicely with their newly formed classes and are welcoming new students in every week!

We also welcome our new teacher in Chestnut, Miss Green and Lunchtime Supervisor Mrs Jarvis.

Willow

This term we have enjoyed paper play in art. We worked together to make 3D sculptures using paper. We practiced folding, cutting and bending the paper to make our sculptures.

Chestnut

Chestnut have been working on algorithms in computing. We have given instructions to each other and used iPads to give a toy instructions to move.

Maple

We have listened to music by Queen Calypso and Lord Kitchener, which lots of the children recognised as a song from the film Paddington. We have also used glockenspiels to play along with a calypso song.

Blossom

We have been learning about how our bodies work, how our skeleton helps us by protecting our organs, and helping us move. We also learned about eating a healthy diet because it gives us energy and helps us grow strong.

A+

Saplings

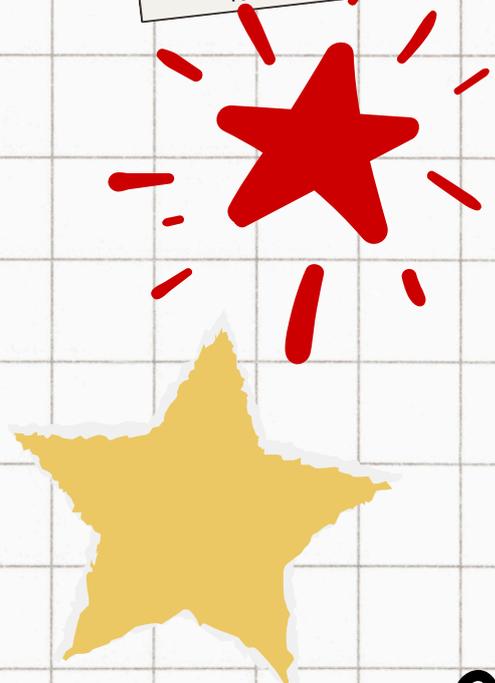

In Saplings we have immersed ourselves in fairy tales, developing our use of language to retell increasingly familiar tales and create our own versions. Our parents have joined us in school to help us talk about our favourite tales in play-based experiences

The Grove

The children in The Grove have been learning about our local community and local superheroes! As part of our topic, we have been out to visit some places in the community such as; The Library, Fire station, Fastnet Fish and the park!

Dates for Dairies

- NSPCC Day- Friday 6th Feb
- Eid Celebration Day - Wednesday 11th Feb
- Break up - Friday 13th Feb
- Return to school - Monday 23rd Feb
