

Spring 2

What's been going on?

World Book day- We had a great day celebrating reading with our friends. Our fancy dress costumes and wooden spoon competition was amazing!

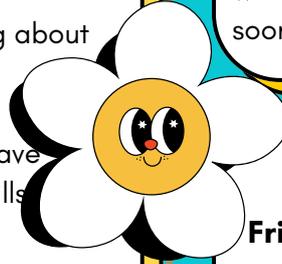

Science day- The children had a FANTASTIC day, making slime and engaging in STEM activities and scientific problem solving throughout the day.

Scartha in Bloom- Huge thank you to Scartha in Bloom who donated 200 tulip bulbs and helped us plant them. We are looking forward to working with them more in the near future.

Eureka Trip- Key Stage 2 had a brilliant day learning about Science in the museum and workshops.

Balance confidence - Saplings and Blossom class have worked with Lincs Inspire to improve their balance skills using bikes and other fun activities and equipment.

Comic Relief - The children had a fun day doing something funny for money and raising an amazing amount of **£695.80!** Thank you to all who donated.

News

Field update- Our field works are due to start during the Easter holidays and will hopefully be completed soon!

Food bank - Don't forget we are given a range of fresh bread every week, if you don't get it, the staff will-it's delicious!

Donation- We have been very fortunate to have received a kind donation from The Blakemore Foundation of £200 for flowers for around our school. Student Councillors will be visiting Grimsby Garden Centre soon!

Upcoming dates

Fri 27 March: Break up (normal time)

Tues 14 April: Summer term begins

Wed 15 April: Active workshop with parents

Tuesday 12th May: Golf Experience Day

Thursday 14th May: Big Live Workout for Mental Health week

What have we been learning?

Reception- Saplings have challenged themselves to write phrases and sentences, we have been so proud of their achievements as they become more independent.

Key Stage 1- We have been busy this term learning lots about multiplication and division. We have also been experimenting with lots of materials in science.

Key Stage 2- We have loved learning about Ancient Egyptian pyramids, farming and how they embalmed pharaohs bodies after they died.

In English, we have been working on retelling fairy tales and creating their own unhappy endings with a twist!

The Grove- We have loved getting out into the community and visiting places we haven't been before such as Fastnet Fish and the Fire Station.
