

NEWSLETTER **AUTUMN 1**

What We Learned

Early Years

In Saplings we have had a wonderful time exploring the role of a gardener, planting seeds and exploring mud in our mud kitchen!

Key Stage 1

Willow have been busy in History examining sources from The Great Fire of London!

Key Stage 2

Maple class loved creating sequences in PE using balances. They were able to perform their sequence and helped to coach each other in improving.

Blossom class have been exploring the water cycle in Geography, finding out how water is transferred into our homes whilst also exploring processes such as evaporation and how clouds form.

The Grove

Children in The Grove enjoyed creating their own 'Wild Things' as part of our Literacy topic.

Next Half Term

We're excited for more fun-filled lessons and events ahead! We're also gearing up to support Children in Need with special challenges and are beginning to plan our Christmas performances, workshops, and parties to celebrate the end of the year!

Upcoming Events

- Saplings Active Parents Workshop 4th November
- Times Tables Rockstar Launch day 7th November
- Children in Need 'Bake off Challenge' 14th November
- Christmas jumper day 10th December
- Plays, workshops and many more!
